TESTIMONIALS FROM JASMINE VINEYARDS CONSUMERS IN 2017-18

I love it when you bite into a green grape and it snaps with a crunch but the taste is sweet and flavorful. I will be keeping an eye out for your product and telling my friends about it from here on out. **Ian S., Plano, TX**

I purchased some of your grapes at a local grocery store here in Ocala, Florida. Just wanted to let you know that they were some of the best grapes I have ever had. **Patricia H., Ocala, FL**

We purchase Jasmine Green Grapes from the Spud Shed in Mandurah, Western Australia. We are delighted with the quality and taste of these grapes. **Russel D., Mandurah, W. Australia**

Best red grapes I ever ate. Keep up the good work. **Paul S.**

Today I bought some of your grapes and they are the sweetest and largest green grapes I have eaten in years! Thank you for such a wonderful product. **Dana R.**

We had some very large green grapes from your vineyard this week in Massachusetts. Best grapes we ever ate. **Judith S., MA**

Thank you so much for growing this excellent quality grape!  
**Selina L., Richmond, BC Canada**

Your green grapes are delicious, thank you for growing such a fantastic product. **John D., South Plainfield, NJ**

These are the best tasting grapes I have ever tasted.  
**Ronald P., Crescent City, CA**

Bought a bag of your green grapes at Bi-los this week, and they are so crisp and sweetly delicious! Just want to compliment you for such an outstanding tasty grape. Thanks again for a job well done! **Teresa F.**

Your grapes are delicious. Our first time buying! **Geneva S., Winter Haven, FL**

Your grapes are by far the best grapes I've ever had. They're nature's candy. Thank you for sharing them with the world. **Holly S.**

I'm telling you, your black seedless grapes are the very best ever! Nice work! **Dawn G.**

Just bought some big green seedless grapes at my New Hampshire supermarket and they are great. Thanks for a great job. **Paul L, NH**

I just purchased your black seedless grapes: wow! They are great! They have a very unusual crunch for a grape but very good. Thanks for producing such a great fruit.  
**Michele J.**

We live in Wisconsin and have to say your red grapes are outstanding. A great treat as fall is near they keep summer going. **Dan O., WI**

These red seedless grapes are delicious, I am not sure if you can grow grapes to taste this good here in NH. **Ron D., NH**

Just want to tell you that I think your dark purple grapes are spectacular. You must be very proud of being able to grow such large bunches of big beautiful terrific tasting grapes. **Al S.**

Just wanted to say your black seedless grapes taste terrific, best I've had for many years! I am here in Sydney, Australia and purchased some through my local supermarket - great job. **Brian M., Sydney, Australia**

I found your grapes in a Market Basket last week and was surprised by the size. I was surprised again when I ate them. They are the BEST (red) grapes we have ever had!! I have been back to the store 3 times in a week to replenish, and each time I thought I might not find the same packaging. I hope this supermarket chain continues to sell your grapes. Amazing flavor, texture, size, satisfaction - thank you!!! **Ruth S.**

I just wanted to drop you a quick email from Long Island, NY to tell you how much I enjoyed a bag of your grapes for lunch. They were huge & fresh.. some of the best I ever had.  
**Pastor Jim, Long Island, NY**

Heart of Texas enjoying your grapes - wow, best we have had! **Glenda D., TX**

I bought your grapes yesterday and they were the largest and tastiest we ever had. Great product. **Rini S.**

Just wanted to let you know that I have never cared much for grapes until I tried yours. They are so sweet, I don't even eat desserts when I have them. Great work!!! **Lynda P.**
